

FEBRUARY 2009

Interchange Updates

For up-to-date interchange information, please visit

www.sublimityinterchange.com

If you cannot find answers to your questions on the website, feel free to contact:

- Shane Otteson, Project Manager, (503) 986-2698 shane.otteson@odot.state.or.us
- Ray Bryant, Assistant Project Manager, at (503) 986-2684 raymond.g.bryant@odot.state.or.us

IF YOU HAVE QUESTIONS ABOUT ANY ITEMS IN THIS NEWSLETTER, PLEASE CALL CITY HALL AT 503-769-5475

REMINDER

It has come to the city's attention that items are being flushed into the sewer system that should not be. This is causing problems with our sewer lift stations that could be avoided by simply throwing these items in the trash. An example of the types of items that we are referring to are the Swiffer dry mop pads and any other fibrous towel items.

WATER / SEWER BILLS - UPDATE

Last month in the newsletter we informed everyone that due to weather conditions, a lot of meters would be estimated. Actual reads have been entered this month and adjustments have been calculated to the accounts affected. Should you have any concerns about your bill, please feel free to contact city hall during normal business hours.

DOGS ON LEASHES

Recently, the city has been getting phone calls about dogs running at large. A reminder that if you are out and about with your dog, it is your responsibility to have them on a leash.

GARAGE SALE REMINDER

A reminder that if you are having a garage sale, you need to come in and get a permit prior to the sale. A garage sale permit can be purchased at City Hall for \$3.00 during normal business hours as is good for 3 days.
