

JANUARY, 2009

HAPPY NEW YEAR!!!

Interchange Updates

For up-to-date interchange information, please visit www.sublimityinterchange.com

If you cannot find answers to your questions on the website, feel free to contact:

- Shane Otteson, Project Manager, (503) 986-2698 shane.otteson@odot.state.or.us
- Ray Bryant, Assistant Project Manager, at (503) 986-2684 raymond.g.bryant@dot.state.or.us

MUTT MITTS

It has come to our attention that the use of the mutt mitts in the parks is being abused. Please only take **one** at a time as this is a cost that the city has to incur to be able to have them available to residents.

WATER/SEWER BILLS

Due to inclement weather conditions, the city was unable to read some accounts; these accounts were estimated based on previous usage. Actual reads will be entered and automatic adjustments will be made on the next billing cycle. Should you have any concerns about your bill, please contact city hall during normal business hours.

Just a reminder that if you choose to re-use the envelope that was used for your monthly billing you must put a stamp on that envelope if you are mailing your payment back to the city. Any payments that are mailed without a stamp will create a charge for the city and will be placed back on your account. As always, you can also use the payment drop slot on the outside of city hall or come in and drop off your payment during normal business hours to avoid postage.

IF YOU HAVE QUESTIONS ABOUT ANY ITEMS IN THIS NEWSLETTER, PLEASE CALL CITY HALL AT 503-769-5475

City Council Meeting

Monday, January 12th @ 7PM

Planning Commission Meeting

Monday, January 26th @ 7PM
