Mutt Mitt Reminder

A reminder that mutt mitts are meant for park use only. We have noticed that an excessive amount of mitts are being used and the cost to restock these is quickly increasing for the city. In order for us to continue to provide this service to our residents and to help keep our parks clean, please make sure that you are only taking what is needed to clean up after your pet in the park area.

Planning Commission Seat Vacancy

We currently have a vacant seat on the planning commission and are seeking applications for a new member. As a member of the planning commission, you would attend once monthly meetings and take part in discussion concerning land use related topics. If you have an interest in applying for this position, please notify Carrie at City Hall by **FRIDAY, JANUARY 15th at 4PM**

*****Recycling Survey*****

The city was recently presented with an option for residents to take advantage of a weekly pick-up option for Yard Debris as opposed to having it picked up every other week. The cost for this service would be \$2.50 more a month. If approved, this would be effective for every resident that has service within the city limits; the city would like to know what you think about this new option? Please complete this quick survey and return it to City Hall by **January 29th at 4PM**.

- YES** I would like to see the city add this service
