drawing for a
**5 night stay in
Hawaii!!!**

tickets on sale now

A big
"THANK YOU!" to
POWER
Chevrolet,
Santiam Hospital
and
Sublimity PTC
Come join the
fun!

NOTICE TO RESIDENTS CONCERNING FIRE HYDRANTS

Hydrants will be flushed on Monday, March 17th. You may experience some discolored water during this time. If discoloration occurs, run cold water until it runs clear and flush each toilet twice.

Police Sub-station

The City of Sublimity would like to inform the citizens of a recent development here in town. On the corner of Center Street and Main Street, a Police Sub-station has been placed for the convenience and safety of our residents. This sub-station is funded purely on donations by the citizens and business owners and gives our citizens the opportunity to "walk-in" with their concerns and have the ability to speak to someone one-on-one.

The Sub-station is open **10AM - 4PM Monday - Friday** and volunteers from the community have been staffing it when possible as well as police officers. If you have any interest in volunteering for staffing the office, please call the Stayton/Sublimity Police Department at 503-769-3421 and we will GLADLY make arrangements with you.

Also, for those of you who would like to make donations, please contact City Hall for more information at 503-769-5475.

Should you wish to speak with someone at the Sub-station, you can reach them during normal hours of operation at 503-769-2200.

WE WOULD LIKE TO THANK ALL OF OUR VOLUNTEERS AS WELL AS THOSE WHO HAVE CONTRIBUTED TO FUNDING THIS PROJECT!

Yard Debris & Commingle Recycling

Previously, the City sent out a survey concerning a Yard Debris & Commingle Recycling option for residents proposed by Allied Waste of Marion County. This proposal would give residents the option for yard debris pick-up as well as commingle recycling. If the city decides to accept this proposal, this would be effective for everyone within the city limits.

The City Council will be revisiting this proposal and making a decision at the December council meeting which will be held on Monday, December 10th at 7PM at City Hall. Any residents who care to participate in this discussion are encouraged to attend. Should you be unable to attend, please feel free to submit your comments in writing to city hall at least one week prior to the meeting.

Here are some FAQ's that will provide more information:

What is the cost? The rate would increase approximately \$5.92 a month per household.

When will the carts be picked up? Carts will be picked up on a bi-weekly cycle. Garbage pick-up will remain on a weekly cycle. Allied Waste will provide a calendar of scheduled pick up dates for each cart.

What size will the new carts be? Both Yard Debris and Commingle will be 90 gallon carts.

Do I have to participate? No. You do have an opportunity to opt out of the Yard Debris and Commingle service all together, however, in order to do so, you will need to reduce your waste down to a 20 gallon cart or the rate increase will be effective to your household as well.

Is it required that I take the Yard Debris and Commingle carts? No. You do not have to take the additional carts, however, you will still be charged for them if your waste is not reduced to a 20 gallon cart.

PLEASE FEEL FREE TO CONTACT CITY HALL IF YOU HAVE ANY FURTHER
QUESTIONS
