Attn: Dog Owners

When taking your dog for a walk around the neighborhood or in a city park, please remember to keep your dogs on leash at all times. Also, remember to properly dispose of dog waste properly. Mutt mitts are available at both parks

**Reminder to wear
masks whenever you
are in a public area and
stay six feet apart.**

City Hall is open for City Business only, Utility payments should be dropped in one of the outside drop boxes to limit exposure. Mask will be required inside the building and only one person will be allowed in the lobby at any one time. If you have any questions or concerns please call City Hall at 503-769-5475.

UPCOMING MEETINGS

Meetings are open to the public by Tele-Conference

Monday, December 4th at 4:00 PM.

Berry Street Park Names

We are still accepting votes for possible new park names! Let us know what your top choice is from the list below. Votes must be turned in by
Monday, October 5th.

Countryside Park

Heritage Park

Homestead Park

Natures View Park

Sublimity Community Park

Sunrise Park

If a sports field or trail is put in the park the name would be Schumacher Field or
Schumacher Trails

IT'S THAT TIME OF YEAR AGAIN!

Fall is here and with that, comes this leaf reminder:

**It is the responsibility of the home owner to keep streets clean of leaves and debris
to the center of the street.**

Also of note: If you use a landscaping company, please inform them they are not allowed to blow leaves into the street.

Hello everyone,

WOW what a month we have had!

I would like to say THANK YOU to Marion County Sheriff's office, the many Fire personnel, the many Farmers and countless volunteers that have put blood, sweat and tears into protecting the Santiam Canyon Community from this once in a lifetime wildfire. **You are the heart and soul of our community!** What is as inspiring as the people out on the front lines saving our homes and businesses is the outpouring of support to help the victims of this Wildfire event.

The amazing support of the Santiam Canyon Wildfire Relief fund is just one example of neighbors helping neighbors. The outpouring of support is just stunning, not only from individuals, but businesses and organizations are stepping up with pallets of needed items. So much so, that the Knights of Columbus, Anthony Hall was overflowing within days of opening up for donations. They asked the City for a place to store some items. We gladly used the Public Works buildings to help store the overflow items. I have seen many volunteers at Anthony Hall working tirelessly to help our fellow community members; Thank you for your dedication!

The City of Sublimity has partnered with the Santiam SIT (Service Integration Team) of the Santiam Hospital to continue to provide support for our community at Ditters Square, Anthony Hall and the Gates Community Church. This is a very valuable resource for our community as we cope with a Pandemic and a catastrophic Wildfire.

I know there will be many days, weeks and months of recovery ahead for our Santiam Community. I would like our Santiam Canyon Community to know the City of Sublimity will be there to help and support them in their time of need.

I am proud to be part of this amazing Santiam Canyon community and I am proud to be your Mayor of Sublimity!

Thank you and if you have any questions please feel free to reach out to me at james.kingsbury@cityofsublimity.org.

Frequently asked Questions at City Hall

Along with City Ordinance, you should always check with your CCR's before building accessory structures or parking a recreational vehicle in your driveway. CCR's take precedence over the City Ordinances.

Lost and Found: City Hall has a lost and found. If you have lost something in one of the City parks, be sure to check with City Hall to see if it has been turned in. If you find that someone has left a belonging behind, you can turn it in to City Hall.

Backflow Devices: Backflow devices must be tested annually. A list of backflow inspectors can be found on the City website or at City Hall.

Building a fence? Please make sure you contact City Hall for a permit. Although there is no fee to build a fence, the city does have codes that need to be followed and they require approval.

Building a storage shed? Sheds under 200sq feet do not require a permit. If you are building anything bigger you must get a structural permit from the city and follow city codes.
