Slow Down— Kids Crossing!

The first day of school is this month.

Please

remember that speeds in a school zone are 20mph. Also stay alert to kids near the road! You never know if children are going to forget to look before they cross, and remember to give the right of way to kids waiting to cross the street. Thank you for helping us keep our students safe!

UPCOMING MEETINGS

Meetings are open to the public and/or by Tele-Conference

If you would like to participate by tele-conference, please call City Hall to get the call in information

Mayor's Message

Hello everyone,
National Night Out was a huge success! It was great to hear that so many people showed up! Thank You!!

One of the last projects that Councilor Greg Atkin worked on was the new website for Sublimity. It is up and running, take a look at it and let us know what you think!
Thank you to everyone that worked on this project!

Another big project that we are working on is the Parks Master Plan. Currently, the Parks Board is having meetings to gather input on what you would like to see in Sublimity Parks. Now is a great time to think about what we want Sublimity to look like.

The Chamber of Commerce will be hosting Summerfest in Church Park in Sublimity on Sunday, September 5th from 4-10pm. Here is the link for more information about Summerfest <https://www.facebook.com/SantiamSummerFest> I look forward to seeing you in Church Park!!

I enjoy hearing from you and as always if you have a question, comment or concern, feel free to contact me at james.kingsbury@cityofsublimity.org.

Thank you,
Jim Kingsbury

Frequently asked Questions at City Hall

Along with City Ordinance, you should always check with your CCR's before building accessory structures or parking a recreational vehicle in your driveway. CCR's take precedence over the City Ordinances.

Lost and Found: City Hall has a lost and found. If you have lost something in one of the City parks, be sure to check with City Hall to see if it has been turned in. If you find that someone has left a belonging behind, you can turn it in to City Hall.

Backflow Devices: Backflow devices must be tested annually. A list of backflow inspectors can be found on the City website or at City Hall.

Building a fence? Please make sure you contact City Hall for a permit. Although there is no fee to build a fence, the city does have codes that need to be followed and they require approval.

Building a storage shed? Sheds under 200sq feet do not require a permit. If you are building anything bigger you must get a structural permit from the city and follow city codes.

Parking on Street: NO Parking of Cargo Trailers, RVs, Boats or any vehicle of any type is allowed on the street for more than 72 hours.

Garage Sales: You are required to obtain a \$5.00 permit from City Hall before having a garage sale.
