Mayor's Message

Hello everyone,

I am happy to let you know that Tass Morrison has been appointed the new Council member to replace Greg Atkin. I appreciate everyone that applied; we have a very vibrant community and it is great to see everyone's interest!

We will be celebrating National Night Out on Tuesday, August 3rd in Church Park. Please take time to come down to the park and enjoy each other's company. We are approaching 1 year since the wild fires ravaged our region and this is a great way to show support for your local community. Details are in the newsletter, on facebook and on the city website.

One of the last projects that Councilor Greg Atkin worked on was the new website for Sublimity. We will be launching the new website on August 23rd. Thank you to everyone that worked on this project! Let us know what you think!

I enjoy hearing from you and as always if you have a question, comment or concern, feel free to contact me at james.kingsbury@cityofsublimity.org.

Thank you,
Jim Kingsbury
Mayor

Frequently asked Questions at City Hall

Along with City Ordinance, you should always check with your CCR's before building accessory structures or parking a recreational vehicle in your driveway. CCR's take precedence over the City Ordinances.

Lost and Found: City Hall has a lost and found. If you have lost something in one of the City parks, be sure to check with City Hall to see if it has been turned in. If you find that someone has left a belonging behind, you can turn it in to City Hall.

Backflow Devices: Backflow devices must be tested annually. A list of backflow inspectors can be found on the City website or at City Hall.

Building a fence? Please make sure you contact City Hall for a permit. Although there is no fee to build a fence, the city does have codes that need to be followed and they require approval.

Building a storage shed? Sheds under 200sq feet do not require a permit. If you are building anything bigger you must get a structural permit from the city and follow city codes.

Parking on Street: NO Parking of Cargo Trailers, RVs, Boats or any vehicle of any type is allowed on the street for more than 72 hours.

Garage Sales: You are required to obtain a \$5.00 permit from City Hall before having a garage sale.
