Mayor's Message

Hello everyone,

Thank you to Foothills church volunteers for helping clean up our parks! **They look awesome!**

There will be a speed reduction on Berry Street from the corner of Star Street to the city limits just past the public works shops. There will also be no parking signs installed on the west side of Berry Street. This may take some time before Marion County Public Works can get to this project. Thank you to the concerned citizens, Alan Frost, Marion County Public Works and the School District for helping with this project.

Please be mindful of kids in the school zones, it's been a while since we've seen them walking to and from school. Remember, school schedules are modified and we will see kids walking at different times than in the past.

The City received a grant from the Oregon Parks Department to help with the Parks Master Plan. The Parks Board will be working on this plan. If you have any ideas or suggestions, please feel free to let the Parks Board know.

I enjoy hearing from you and as always if you have a question, comment or concern, feel free to contact me at james.kingsbury@cityofsublimity.org.

Thank you,
Jim Kingsbury
Mayor
