REMINDER

It is the responsibility of the owners to pick up after their pets. This includes picking up after your dogs while at the dog park and while walking around town.

Recreational vehicles are not allowed to be parked on city streets for more than 72 hours or be occupied without a city permit

It is the responsibility of the home owner to keep streets clean of leaves and debris to the center of the street.

If you use a landscaping company, please inform them they are not allowed to blow leaves into the street.

UPCOMING MEETINGS

Meetings are open to the public and/or by Teleconference

If you would like to participate by teleconference, please call City Hall to get the call in information
If you have a disability that requires additional assistance please call City Hall.

Volunteer Opportunities

The City is now accepting applications for the following Committee Positions

The 4 year terms will begin on January 1, 2023.

Applications can be picked up at City Hall or found on the city website

All applications must be submitted by Monday, December 5 at 4:00 PM

Planning Commission (1 position open)

Budget Committee (2 positions open)

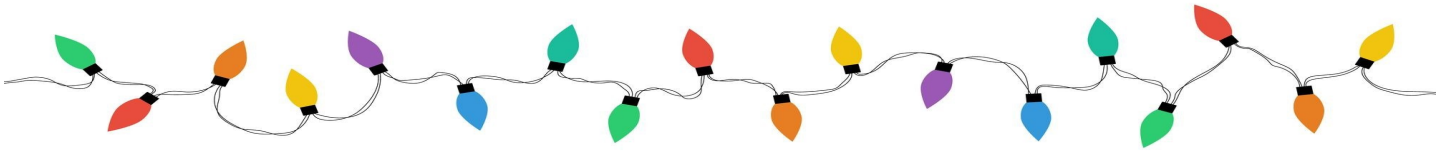

Park & Recreation Committee (2 positions open)

Event volunteers are always welcome!

Call City Hall to be added to our events volunteer list.

Cold Weather Tips

- ◆ Turn off outdoor faucets and be sure to disconnect hoses from them. Make sure the faucet and outside portion of the pipes are fully drained. A valve inside many houses will shut off the water flow; then open and close the tap outside to release any water in the pipe.
- ◆ Insulate water pipes that may be vulnerable to the cold or have caused problems before. Pipes close to exterior walls can be wrapped with pieces of insulation. For difficult pipes, consult a professional on how to select and apply heat tape. Caution: improper use of heat tape can cause fires. Pay special attention to indoor water meters. If the meter freezes, it can cause your basement to flood. Never put heat tape on the water meter to avoid damaging plastic components of the meter.
- ◆ Before cold weather hits; know the location of your water shut-off valve and test it regularly. If a pipe breaks, you won't want to have to find it at that time.
- ◆ Turn off and drain automatic and manual sprinkler systems before the first freeze.
- ◆ If it gets below freezing for a longer period of time, keep cabinet doors leading to exposed pipes (such as access doors for sinks) open so that household air can warm them. If you have an attached garage, keep its doors shut. Crack a faucet farthest from the space where your water enters the house. A very slow drip will keep water molecules moving, reducing the chance that pipes will freeze.

Thank you to SCTC for helping hang the City's Christmas lights along Center Street!

Upcoming Events

Sublimity Christmas Light Parade

Saturday, December 3rd

Parade begins at 6:00 pm

The theme is "A Minions Christmas in the Country"

After the parade, join us at Early Settlers Park, next to City Hall, for caroling and to help Santa light the City's Christmas tree!

After the tree lighting there will be cookies, crafts, and pictures with Santa at the Fire Station!

Please see the City Website for a Parade entry Form

Free Candy Cane Day Breakfast

Sublimity Volunteer Firefighters will be hosting a free Candy Cane Day Breakfast on **Sunday, December 4th**, from 8 am to noon, at the Sublimity Fire Station. Volunteers will be serving an all you can eat biscuits and gravy breakfast, and Santa will be arriving in the fire engine at approximately 9:30 am and will be handing out candy canes and visiting during the breakfast. Admission is free, but attendees are encouraged to donate three cans of non-perishable food or to make a monetary donation toward holiday food baskets. All food and money collected will go to local families in need this holiday season. This is the fifth year for breakfast and will take place of firefighters going through Sublimity to gather food and distribute candy canes. Firefighters will still be collecting food at the station and any donations are greatly appreciated.

For more information contact Sublimity Fire District at 503-769-3282
