Sublimity Annual City Wide Garage Sale

July 7-9, 2022

No city permit necessary for this annual event

Greetings from Deputy Barber

Just want to remind our community of the importance of locking your vehicle and house doors. Lately there has been a group of juveniles walking around in the evening hours checking doorhandles in our community looking for unlocked cars. It seems that they are looking for anything that may be left behind of value or just rummaging through your car and making a mess. My long story short is, please remember that there is a criminal element in our world that prey on our mistakes of leaving cars or houses unlocked. Watch out for one another and

remember we are in this fight together!

Your Deputy, Tom

THANK YOU!!!!

The City of Sublimity Mayor, Council and staff would like to thank all who participated in welcoming the Oregon Veterans Motorcycle Association as they came through our community to honor the POA's—MLA's on June 24th 2022. We would not have successful events in our community without the volunteers that donate their time and we just want them all to know they are very appreciated! Thank you to the event committee that helped us put this all together. If you are interested in being an event volunteer, please contact City Hall.

Frequently asked Questions at City Hall

Along with City Ordinance, you should always check with your CCR's before building accessory structures or parking a recreational vehicle in your driveway. CCR's take precedence over the City Ordinances.

Lost and Found: City Hall has a lost and found. If you have lost something in one of the City parks, be sure to check with City Hall to see if it has been turned in. If you find that someone has left a belonging behind, you can turn it in to City Hall.

Backflow Devices: Backflow devices must be tested annually. A list of backflow inspectors can be found on the City website or at City Hall.

Building a fence? Please make sure you contact City Hall for a permit. Although there is no fee to build a fence, the city does have codes that need to be followed and they require approval.

Building a storage shed? Sheds under 200sq feet do not require a permit. If you are building anything bigger you must get a structural permit from the city and follow city codes.

Parking on Street: NO Parking of Cargo Trailers, RVs, Boats or any vehicle of any type is allowed on the street for more than 72 hours.

Garage Sales: You are required to obtain a \$5.00 permit from City Hall before having a garage sale.

Pets: Pets are required to be kept on leash at all times while in city parks. Pet owners are required to clean up after their animals. Mutt Mitts are available in the parks.
