Farming Equipment

We live in a Farming Community. Now that spring is here, a quick reminder that there will be farm equipment and vehicles on the roads.

Please use patience and caution

SAFE SIDEWALKS

A reminder to property owners and or occupants that it is their responsibility to keep sidewalk areas in front of the property clean and clear of debris, dirt, weeds, shrubbery, low branches and safe for the public to use at all times. This also includes weeds in the area in front of the curb. Please do not blow or sweep any debris from driveways or sidewalks into the storm drains or street.

Mayor's Message

Hi everyone,

As we are preparing our new budget for our fiscal year, we have a chance to look forward to what is happening in Sublimity in the coming year. I would like to thank our staff for working tirelessly on this budget. It takes a lot of hard work to get our budget ready for the budget committee to review. And I would like to thank our budget committee for their work on reviewing this document.

On Friday June 24th, from 11a-1p Sublimity will host the Oregon Veterans Motorcycle association as they travel from Redmond to Seaside and then onto Ontario to commemorate HWY 26 as the POW/MIA highway. There will be about 120 motorcycles coming into town. First they will fuel up and then they will proceed to Church park where we will honor the Oregon POW/MIA families and our local veterans. Please join us in supporting the men and women who protect our freedoms! Notice will be given on social media when American flags are available to pick up at city hall for the event.

We are working with Marion county on some grant opportunities to provide safe routes to school, both on Starr Street and on Church street. This is a long process and I am happy that our County Commissioners are working with us to keep our most vulnerable safe as they walk around our community.

Thank you to our Parks board and to the community members that gave their input for our Parks Master Plan. This plan is close to being adopted by the City Council. I would like to say a special thank you to the Sublimity school kids and parents that came to city hall to give us their ideas on what they would like to see in our parks!

As always, I welcome any feedback you have. Feel free to contact me at james.kingsbury@cityofsublimity.org.

Thank you,
Jim Kingsbury
Mayor, City of Sublimity

Frequently asked Questions at City Hall

Along with City Ordinance, you should always check with your CCR's before building accessory structures or parking a recreational vehicle in your driveway. CCR's take precedence over the City Ordinances.

Lost and Found: City Hall has a lost and found. If you have lost something in one of the City parks, be sure to check with City Hall to see if it has been turned in. If you find that someone has left a belonging behind, you can turn it in to City Hall.

Backflow Devices: Backflow devices must be tested annually. A list of backflow inspectors can be found on the City website or at City Hall.

Building a fence? Please make sure you contact City Hall for a permit. Although there is no fee to build a fence, the city does have codes that need to be followed and they require approval.

Building a storage shed? Sheds under 200sq feet do not require a permit. If you are building anything bigger you must get a structural permit from the city and follow city codes.

Parking on Street: NO Parking of Cargo Trailers, RVs, Boats or any vehicle of any type is allowed on the street for more than 72 hours.

Garage Sales: You are required to obtain a \$5.00 permit from City Hall before having a garage sale.

Pets: Pets are required to be kept on leash at all times while in city parks. Pet owners are required to clean up after their animals. Mutt Mitts are available in the parks.
