**It is required by both State and Local law to have your backflow assembly tested annually.**

Now is a good time to start thinking about getting an inspection scheduled for your home. If you have a backflow prevention assembly (lawn sprinkler system) on your property, please do your part to ensure a safe drinking water supply for yourself and everyone in Sublimity.

## Deputy's Corner

As spring approaches and it becomes time to drag out the boats, RV's and other types of recreational toys, I wanted to remind everyone that the City of Sublimity does have a parking ordinance to include the Oregon Revised Code. Not that I am the "parking police" but if anything, just follow the laws and rules of the road and be a good neighbor; park your cars in the correct manner and everyone will be happy. Below is the reminder notice that will be placed on vehicles, boats, trailers, RV's that are in violation. Again, this will be a courtesy warning notice and if not moved within the 72 hours or moved in violation of the ORS, a citation will be issued to the vehicle's registered owner.

Respectfully, Deputy Tom
