BACKFLOW TESTING REMINDER FOR UNDERGROUND SPRINKLERS

It is required by both State and Local law to have your backflow assembly tested annually.

Now is a good time to start thinking about getting an inspection scheduled for your home. If you have a backflow prevention assembly (lawn sprinkler system) on your property, please do your part to ensure a safe drinking water supply for yourself and everyone in Sublimity.

As the weather gets nicer we would like to remind residents that basket ball hoops are not allowed in the streets or on the sidewalks.

If there is something that you would like to see in our newsletters, please call and let us know!
We are always open to suggestions!

Frequently asked Questions at City Hall

Along with City Ordinance, you should always check with your CCR's before building accessory structures or parking a recreational vehicle in your driveway. CCR's take precedence over the City Ordinances.

Lost and Found: City Hall has a lost and found. If you have lost something in one of the City parks, be sure to check with City Hall to see if it has been turned in. If you find that someone has left a belonging behind, you can turn it in to City Hall.

Backflow Devices: Backflow devices must be tested annually. A list of backflow inspectors can be found on the City website or at City Hall.

Building a fence? Please make sure you contact City Hall for a permit. Although there is no fee to build a fence, the city does have codes that need to be followed and they require approval.

Building a storage shed? Sheds under 200sq feet do not require a permit. If you are building anything bigger you must get a structural permit from the city and follow city codes.

Parking on Street: NO Parking of Cargo Trailers, RVs, Boats or any vehicle of any type is allowed on the street for more than 72 hours.

Garage Sales: You are required to obtain a \$5.00 permit from City Hall before having a garage sale.

Pets: Pets are required to be kept on leash at all times while in city parks. Pet owners are required to clean up after their animals. Mutt Mitts are available in the parks.
